Paid Internships & Work Experience

March 2022 - March 2025 Radial Code Pvt. Ltd

During my internship as UI/UX Designer, I was incredibly fortunate to work on a variety of engaging and insightful projects, Each projects provided me with a unique opportunity to apply and hone my design skills, while also learning new techniques that are valuable for any design professional.

UI/UX and Graphic Designer: On a daily basis, my tasks include crafting intuitive interfaces, developing design prototypes, conducting usability testing, and collaborating closely with cross-functional teams to align the end-product with both user needs and business goals. In essence, I serve as an advocate for the end-user, striving to provide them with a seamless and engaging experience while interacting with our digital platforms.
